

Block Bullies Kennel - Puppy Sales Contract

<http://blockbullieskennel.com/contracts>

Seller guarantees pup to be delivered in good health, current on vaccinations, and free of Distemper, Parvo, Parainfluenza, and any life threatening genetic defect.

All puppies will have a current health certificate from a licensed veterinary clinic if being shipped on an airplane.

Puppies will be dewormed at time of shipping or pick up, and a normal deworming should follow as recommended by your vet. At minimum, 1st set of shots will be given along with several dewormings. Follow up shots and dewormings are the responsibility of the buyer. Any pup that develops an illness related to lack of shots or deworming will NOT be replaced. It is the responsibility of the new owner to keep up with all vaccinations.

Purchaser agrees to follow up with a veterinary clinic within 48 hours of receiving the pup. At that time, if it is determined the pup has any of the above or if the pup is found to have a genetic defect, breeder will replace the pup. We do reserve the right to ask for a second opinion on any findings by the said vet. We also reserve the right to request medical records for review by our vet.

Purchaser agrees to provide a safe home for their new pup and will not use the pup for any illegal activity. If at any time, the purchaser is found to be using the pup for illegal activity, we reserve the right to regain possession of the pup without refund. We do not tolerate dog fighting, and WILL pursue legal action to regain rights to the pup.

A deposit is required to hold any puppy under the age of 8 weeks. Deposits are typically \$500-\$2,000 (depending on the breeding and/or pick spot). Puppies are required to be paid for in full by 6 weeks of age. If at 6 weeks of age the pup has not been paid for in full, you will forfeit your deposit unless a special contract/arrangement has been made between seller and buyer before deposit was sent. If you change your mind on a puppy and would like a different pick, your deposit may be transferred up to a higher pick if that pick is available. Deposits are NON-REFUNDABLE.

If you are purchasing a blue coated pup, you should understand that blue coated dogs are more prone to skin and coat problems. This is simply the result of the blue coat coloring. We do NOT guarantee against skin or coat problems. We will not be held responsible for skin or coat problems that are common among dogs with blue coloring. Additionally, we do not guarantee against dysplacias/osteocondritis such as, but not limited to dysplacias of the hip(s), elbow(s), shoulder(s), etc. Dogs that are large and reach 90-100+ lbs and over are prone to dysplacia, as it is a polygenic trait with an onset that is affected by environmental factors. Not all the XL and XXL breeders perform OFA testing on their studs, which would limit our kennel to the use of outside stud service. Additionally, even OFA and PennHip tested and cleared breeding stock may pass on dysplacias from previous generations. So unfortunately we cannot guarantee perfect hips, elbows, etc in our dogs. This is a risk the buyer assumes with the purchase of our puppies or dogs.

If at any time the purchaser can no longer provide for the pup, we will gladly accept the pup back. We do not want to see any of our dogs end up in shelters! By signing our agreement, you understand that if at any time you cannot longer care for your dog, you will contact the breeder: Block Bullies Kennel

The breeder reserves the right to include our kennel name on the puppy registration paperwork. All puppies purchased from Block Bullies Kennel must keep their original paperwork and papers and names cannot be illegally altered.

Block Bullies Kennel is not responsible or liable for 3rd party puppy shipping services or expenses. We will however do what we can to help the purchaser find reliable, legitimate, licensed, and insured pet shipping. Purchaser understands that we have the right to refuse to allow a pup to be shipped by a service provider for issues such as (but not limited to) unlicensed, unsanitary, overbooked, reputation for unethical practices or "scamming," and such. This is to protect us all.

Payments may be made with postal money orders, bank to bank wire, certified bank check, money gram, or western union. We accept deposits via PayPal but pup must be paid off with other means as PayPal charges a 4% fee. We will NOT accept any personal checks.

Any deposit on any breeding is NON REFUNDABLE. If the breeding does not take, or the desired pick/gender is not produced, deposit will be transferred to the repeat breeding of the sire and dam or another breeding of the customer's choice. EVEN IF BREEDING IS NOT REPEATED, DEPOSITS ARE NON REFUNDABLE! THEY MUST BE TRANSFERRED TO ANOTHER BREEDING.

By signing this agreement, you understand what you have read, and understand that we do enforce this agreement 100%. You also understand that deposits are NON-REFUNDABLE and may only be transferred to another litter or puppy.
